

## Work sheet for Global Warming Readings

**Read** “*Global Warming, Few Winners and Many Losers*”

“*Coral Reefs in Danger*”

“*Global Warming, Here to Stay*”

“*Implications of Gulf Stream Cooling*” all by Dr. Neal Lineback, from Geography in the News, if you cannot find the four articles go to [www.maps101.com](http://www.maps101.com) username = “m3banme” password= “broadway8”.

**View** the DVD “An Inconvenient Truth” based on the book by Al Gore

For 3 of 4 readings and movie, please complete the worksheet.

Article	Key Terms	Observed phenomena	Global and local consequences
