

## **Travel to Glacier National Park, Montana**

After your application has been accepted-

You are responsible for making and paying for your own reservations to and from The Glacier Institute in Glacier National Park including any layovers. We suggest a flight to Kalispell Montana and a taxi shuttle to get to the Glacier Institute, which is about a mile inside the park from the town of West Glacier. We suggest that you contact other participants from the contact web page and share rides if possible.

### **By Car**

Visitors arriving by car will use U. S. Highway 2 to access the park from the west. Visitors can also access the park from the north using Highways 89 or 17.

### **By Plane**

Glacier Park International Airport in Kalispell, Montana is 25 miles west of park headquarters in West Glacier, Montana. There are also airports in Great Falls, Montana (200 miles east of West Glacier) and Missoula, Montana (156 miles south of West Glacier).

### **Car rentals**

Car rentals are available at airports. Shuttles are available at the Kalispell airport. Please carpool.
