

Relatively Physics

Held at Tufts University and at the Illinois
Mathematics and Science Academy

Note that each Relatively Physics session consists of two days, 9am to 5 pm. You must attend both days to obtain a certificate of attendance. Please indicate which session you would like to attend:

Tufts Session _____ April 29 and May 13
IMSA Session _____ April 5 and June 23

Please use an additional sheet to answer the following questions. Our workshops are competitive and we base

our acceptance of participants on their application responses.

1. Describe your current educational position (classroom, informal, planetarium, science center, etc.) and your students/audience.

2. Describe how participating in this workshop will benefit both you and your students/audience.

Please send your completed applications to Laura M. Nickerson via:

Email (either as an attachment or cut-and-paste into the body of the email): laura.nickerson@tufts.edu

Fax: (617) 627-3995

Mail: Laura M. Nickerson, Wright Center, Tufts University, 4 Colby Street, Rm. 267C, Medford, MA 02155

Applications will be accepted on a floating basis.
