Present Address: _____

Permanent Address: _____

To which address should mail be sent? Present Permanent

Telephone: (____) _____

Email: _____

- 3.) Describe your **proposed research project** in 1-2 pages. What hypothesis do you plan to examine and how do you plan to test this hypothesis? Include a brief literature background with selected references.

- 4.) Have your proposed **mentor submit a letter** c/o Admissions Office to Dr. Bob Bridges, Master's Program Director & Principle Director of the 12-month NIH training grant, indicating the her/his willingness to serve as your mentor in this Master's/training program. This letter should be submitted to the Office of Admissions.

- 5.) Provide a separate **letter of evaluation** from one Tufts Cummings School of Veterinary Medicine faculty member who can evaluate your academic/research potential in this program. This letter should also be addressed to Dr. Bob Bridges and sent to the Office of Admissions.

The admissions committee for the combined DVM/MS Program in Biomedical Science requests access to your materials (i.e. GRE scores, official transcripts, etc.) submitted in support of your application to Tufts Cummings School of Veterinary Medicine in addition to your official transcript at Tufts Cummings School of Veterinary Medicine.

I hereby give my permission for the Admissions Committee of the combined DVM/MS Program in Biomedical Sciences to review all materials submitted in support of my application to Tufts Cummings School of Veterinary Medicine and to my student transcript at Tufts Cummings School of Veterinary Medicine.
