**Introduction to the
Harvest Laboratory Information System Webstation**

Introduction to the Harvest LIS Webstation

This introductory training session will cover how to:

- Order a Patient Sample
- Edit Order/Add-On Tests
- Delete Orders
- View & Print Results
- Webstation is accessed via Internet Explorer or Moxilla Firefox. There is no software to install.

Introduction to the Harvest LIS Webstation

- Webstation can also take advantage of Rules for Order Entry that may be set up within the Harvest LIS.

Rules for Order Entry can:

Assist with sample collection charging

Sample routing based on Patient Insurance

Prevention of Duplicate Testing

Introduction to the Harvest LIS Webstation

- Webstation will help you ensure that the orders placed for patient testing will be covered by the patient's insurance via Medical Necessity Screening.

SECURITY- Passwords and Signing In

SECURITY- Passwords and Signing In

- Access to Webstation is limited based decisions made while configuring Webstation for your facility.
- Each Webstation user has their own username and password.

SECURITY- Passwords and Signing In

You will launch Webstation from your Intranet Page.

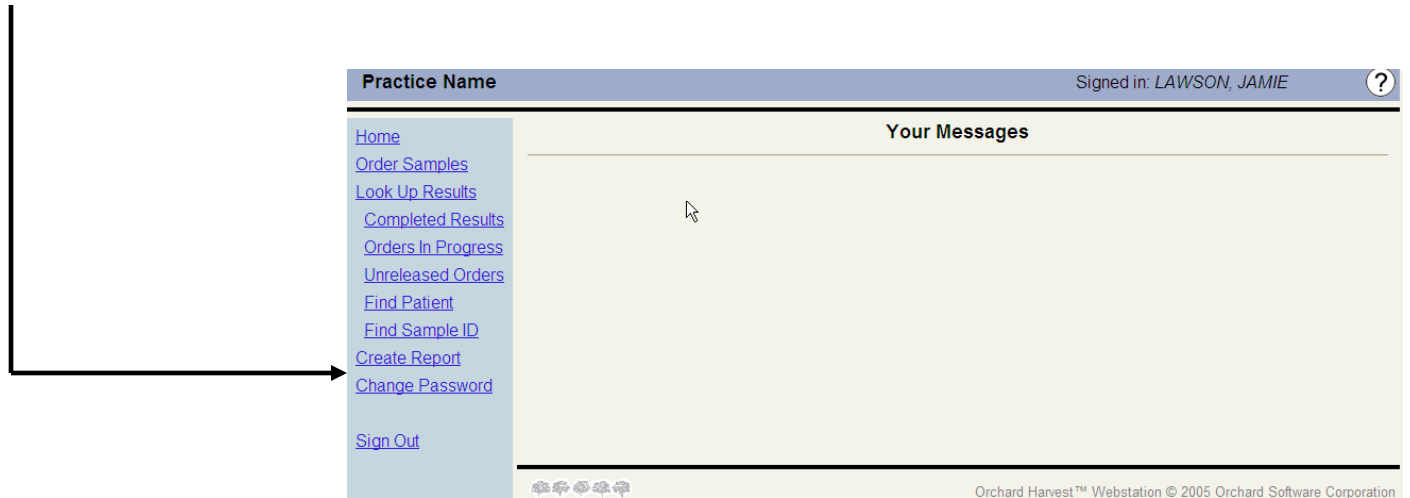

The screenshot shows a web browser window with a title bar that says "Practice Name" and a question mark icon. The main content area has a light beige background. At the top center, it says "Please Sign In" with a mouse cursor pointing to it. Below this, there are two input fields: "User Name" and "Password", both with blue text labels and white input boxes. A "Sign In" button is located below the password field. At the bottom of the form area, there is a blue hyperlink that says "How do I get a user name and password?". At the very bottom of the page, there are four small tree icons on the left and the text "Orchard Harvest™ Webstation © 2005 Orchard Software Corporation" on the right.

Use your assigned User Name and Password to sign in to Webstation.

SECURITY- Passwords and Signing In

Click on **Change Password** to change your password.

You will need to enter the old password, then the new password and confirm that password on the next screen.

Are you attempting to place an order?
Choose by clicking once on the [Order Samples] option
along the left side of the screen.

The screenshot displays the Orchard Harvest Webstation interface. At the top, a blue header bar contains the text "Practice Name" on the left and "Signed in: LAWSON, JAMIE" on the right, followed by a question mark icon. Below the header, a vertical navigation menu on the left lists several options: Home, Order Samples, Look Up Results, Completed Results, Orders In Progress, Unreleased Orders, Find Patient, Find Sample ID, Create Report, Change Password, and Sign Out. A black arrow points from the text above to the "Order Samples" link. The main content area on the right is titled "Your Messages" and is currently empty. At the bottom of the page, there are four small icons and the text "Orchard Harvest™ Webstation © 2005 Orchard Software Corporation".

Because you have deleted one Order Choice (the BMP), Webstation will request a reason for this.

Click **[OK]** when done filling in this field.

The screenshot shows the Orchard Harvest Webstation interface. At the top, there is a header bar with "Practice Name" on the left and "Signed in: LAWSON, JAMIE" on the right, followed by a help icon. Below the header is a sidebar with navigation links: Home, Order Samples, Look Up Results, Completed Results, Orders In Progress, Unreleased Orders, Find Patient, Find Sample ID, Create Report, Change Password, and Sign Out. The main content area contains a form with the title "Please enter a reason for removing the order choices: BMP". Below the title is a text input field containing the text "ordered incorrectly.". To the right of the input field is an "OK" button. At the bottom of the page, there are four small icons and the text "Orchard Harvest™ Webstation © 2005 Orchard Software Corporation".

The slide features a decorative border with a mosaic-like pattern in shades of blue, green, and yellow. The corners are filled with illustrations of fruit: blueberries in the top-left, peaches in the top-right, a person harvesting oranges in the bottom-left, and apples in the bottom-right.

Finding Patient Results

Finding Results

Webstation will allow you to view patient results.

The screenshot displays the Orchard Harvest Webstation interface. At the top, a blue header bar contains the text "Practice Name" on the left and "Signed in: ANDERSON, JAMES" on the right, followed by a circular help icon with a question mark. Below the header is a navigation menu on the left with the following links: Home, Order Samples, Look Up Results, Completed Results, Orders In Progress, Unreleased Orders, Find Patient, Find Sample ID, Create Report, Change Password, and Sign Out. The main content area is titled "Your Messages" and contains a single message: "You have 311 completed orders: [Click to view](#)". At the bottom of the interface, there are four small icons and the text "Orchard Harvest™ Webstation © 2005 Orchard Software Corporation".

A decorative border surrounds the central text. The top-left corner features a cluster of dark blueberries with green leaves. The top-right corner shows several ripe peaches with red and yellow-orange hues and green leaves. The bottom-left corner depicts a person on a ladder harvesting oranges from a tree. The bottom-right corner shows a pile of red and yellow apples. The entire border is set against a dark green and blue mosaic background.

**Internet Explorer and Pop Up Blocker
with Webstation**

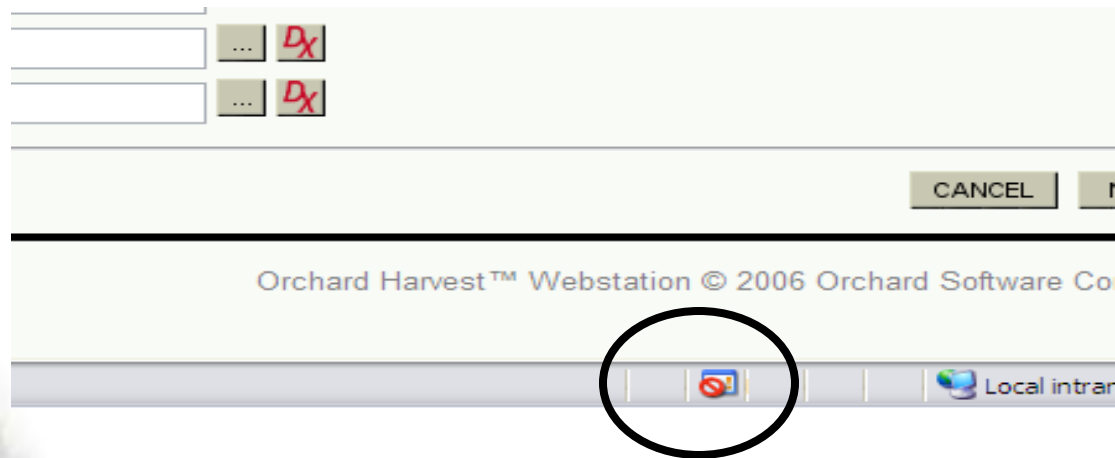

Internet Explorer and Pop Up Blocker with Webstation

- Internet Explorer has a Security Tool that will block incoming Pop Up Messages from websites.
- You can tell that this has occurred when you hear a quick 'knock-knock' noise or when you see the symbol at the bottom of your desktop screen.

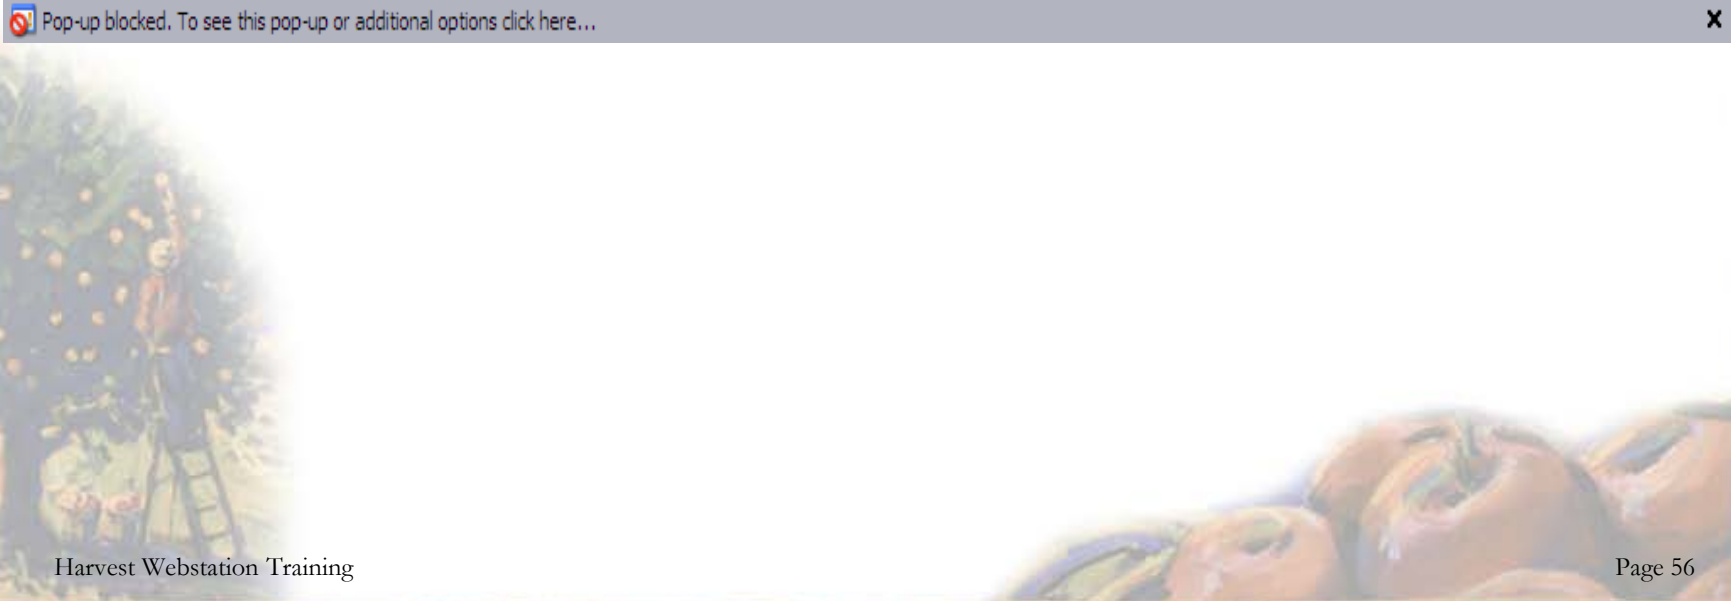

Internet Explorer and Pop Up Blocker with Webstation

- This is a close up of that same indicator:

Internet Explorer and Pop Up Blocker with Webstation

- You may also see a message at the top of the Internet Explorer window:

A screenshot of an Internet Explorer browser window. At the top, a grey notification bar contains a red 'X' icon and the text "Pop-up blocked. To see this pop-up or additional options click here...". Below the notification bar, the main content area is mostly blank white space. On the left side, there is a faint, artistic illustration of a person climbing a ladder next to a large tree. On the right side, there is a faint illustration of several pumpkins.

Internet Explorer and Pop Up Blocker with Webstation

- When you see or hear one of these indicators, you have been alerted that Webstation will not function correctly.
- The following action should be taken so that Webstation Users will be able to use the software successfully.

Internet Explorer and Pop Up Blocker with Webstation

- From the top of the Internet Explorer Window choose Tools.
- Then select Pop Up Blocker.
- Always Allow Pops Ups from the Webstation Intranet Site.
